
PARENT AMBASSADORS

An Introduction into the vision behind Parent Ambassadors

WHAT IS A PARENT AMBASSADOR?

Our Parent Ambassadors are passionate and dedicated parents and families who play a vital role in our GCCS community, providing valuable support and guidance to new students and families. With their knowledge and experience of the school, they can help achieve a seamless transition into GCCS, offering a welcoming environment for all.

Each new family at GCCS is assigned a Parent Ambassador who serves as a friendly advisor and support during their transition. The Parent Ambassador acts as a bridge between the school and the family, providing guidance, answering questions, and ensuring a warm and supported experience. Throughout the year, Parent Ambassadors keep newly enrolled families informed about important updates, events, and opportunities within the school and wider community. They play a crucial role in helping these families integrate and establish relationships, so that they feel truly connected. This parent-to-parent connection is a meaningful way for us to continue to build and strengthen our community, and fosters family friendships as well as ensuring new parents are always informed about essential school information.

In preparation for the start of the school year, we organise an informal social gathering for our new families and their designated Parent Ambassadors, enabling them to connect and welcome them to our school.

We also encourage our Parent Ambassadors to connect with families who are considering GCCS for their child(ren). By sharing their knowledge and enthusiasm for the outstanding Christian education we offer, Parent Ambassadors play a crucial role in showcasing the unique benefits of our school. They provide an authentic perspective and personal experiences that can help prospective families make informed decisions about enrolment.

WHAT IS THE PURPOSE OF OFFERING PARENT AMBASSADORS FOR VOLUNTEER HOURS?

The offering of Parent Ambassadors for volunteer hours is to recognize and acknowledge the significant contributions parents make in strengthening community and enrolment at GCCS. Volunteering as a Parent Ambassador not only allows parents to support the school and its community but it also provides them with a chance to forge new relationships and deepen their connection to the school. This demonstrates a true appreciation for the dedication and commitment of our Parent Ambassadors, as they play a vital role in creating a warm and supportive atmosphere for everyone at our school.

HOW DO FAMILIES BENEFIT FROM PARENT AMBASSADORS?

Parent Ambassadors play a vital role in supporting the integration of new families into the school community and culture. Their efforts contribute to a vibrant and welcoming environment, strengthen enrolment, and help fulfill the mission of GCCS. Through the power of personal connections and authentic advocacy, Parent Ambassadors have the potential to make a significant impact on the overall success and growth of GCCS, adding value to the enrolment process / journey.
